I understand my responsibility for the accuracy of information indicated herein

(date) *(applicant's signature)*

I have read and understood the HSE license for the provision of educational services (and its attachments), certificate of state accreditation of HSE for the chosen field of study (and its attachments) or the information explaining lack thereof; admission policy for HSE master's programmes and appeals policy for entrance examination results, including via public information systems.

I have not undertaken a programme of the specialist's / master's degree level before, except "professional degree" programmes (*only for those applying for state-funded places*).

I am aware of the final date for acceptance of admission requests and the date for provision of the original official degree certificate.

Submitted original documents may be returned upon request:
personally, to applicants or their representatives
via regular post to the mail address specified in this request
