

Application requirements

The English-language program «Applied social psychology» involves two educational trajectories:

1. A two-year training at HSE;
2. The double-degree program with training during the first year at HSE, and the second year - at Tilburg University (hereinafter - UT)

To be admitted to the double degree program all applicants must provide following documents:

1. A photocopy of the diploma and academic transcripts.
2. Certificates of English language proficiency. In the presence of certificates of international examinations with required scores (TOEFL IBT-80; Academic IELTS - 6) applicant is exempt from the qualification examination of English language. In the absence of the certificate, students must pass an entrance HSE English exam. A passing score of 51 and above. If the candidate has not received the required number of points on the international exam in a foreign language, the certificate will still be attached to the portfolio. Exceptions: applicants for whom English - native, and who received basic education entirely in English.
3. Motivation letter in English. Write it as follows:
 - Why did you choose this master's program, what particularly has attracted you;
 - What did you learn in addition to your academic education;
 - Which educational track are you interested in (social psychology, cross-cultural psychology, organizational psychology, economic psychology);
 - What are you planning to do after receiving a master's degree
4. Summary on 5-10 pages for your final qualifying work (research paper) in English. The summary should consist of the following sections:
 - Aim of study;
 - Problem statement;
 - Hypotheses;
 - Methods;
 - Main results;

- Conclusions and directions for future studies

5. CV in English. Please specify:

- contact details (residential address, e-mail, phone)
- education
- place of work, grants, internships, publications (if any)

6. The portfolio must either consist of hard copies of all required documents and be submitted to HSE Admissions office, or consist of e-copies that must be uploaded through online application form and sent to email: taimiris@yandex.ru

In order your application has been sent to University of Tilburg for participation in double degree master program, the portfolio must also include the following documents:

1. The first page of national ID (passport) with translation into English.
2. English translation of the document on education with the liner.
3. Proof of English language proficiency is required by all applicants EXCEPT passport holders from the following countries: Australia, Canada (except Quebec), Ireland, New Zealand, UK, or USA OR those who have studied their entire Bachelor (or Master) programme in one of these countries. No exemptions from this requirement will be made other than those mentioned here. If you don't have a certificate, you can take the Test of English language proficiency at HSE.

Results required Master's programme:

- TOEFL: 577 (paper); 90 (internet)
- Academic IELTS: overall 6.5 + no part less than 6.0
- Cambridge Proficiency in English: All grades
- Cambridge Advanced English: Grades A, B and C
